

Travel with confidence

HOW WE ARE MAKING YOUR JOURNEY WITH US COVID-19 SECURE

With an increased focus on duty of care and corporate and social responsibility we can provide COVID-19 safety compliant and reliable ground transportation solutions. We have worked hard to put in place even more measures to make sure you, our customers, and our people, can travel safely on-board our coaches.

Cleaning

We have enhanced valeting regimes. Our fleet are cleaned numerous times a day. This includes disinfecting of all high contact points with antiviral products and fogging systems for complete interiors.

Boarding

Passengers will be required to load the rear seats first and leave the vehicle from the front in order to avoid walking past passengers unnecessarily.

Drivers

Drivers wear personal protective equipment and driver protective screens have been fitted on fleet vehicles.

Temperature Checking

All of our team are temperature checked every morning and all passengers are required to be temperature checked prior to boarding the vehicle.

Face coverings

Face coverings must be worn onboard as per government advice for the safety of our team and all passengers.

Hand Sanitiser

Hand sanitiser dispensers have been installed on-board our fleet. Please ensure that you sanitise your hands when embarking and disembarking the vehicle.

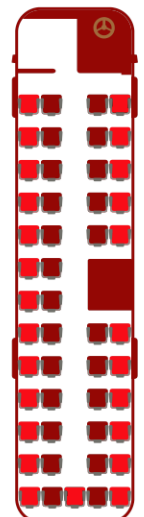

Onboard Signage

Please observe visual reminders on our fleet regarding hands/face/space. Your safety is our paramount concern.

Vehicle Capacity & Seating

Our new social distancing vehicle capacities are as follows:

Vehicle (original capacity)	New (max capacity*)
19	9
34	17
49	24
61	30
83	41

Seating

Passengers will be required to only use designated seats to adhere to social distancing rules. Unavailable seats will be clearly marked.

When waiting for your coach, keep a 2m distance from others in the queue when possible to do so.
